NOVA: ADDICTION - PBS DOCUMENTARY - Monday, April 29, 2019 - 6 p.m. at the Ludington Branch of Mason County District Library (MCDL). This is a free screening presented by MCDL and The Leeward Initiative.

Hear firsthand from individuals struggling with addiction and follow the cutting-edge work of doctors and scientists as they investigate why addiction is not a moral failing, but a chronic treatable medical condition. Easy access to drugs like heroin, fentanyl, and even prescription medications like OxyContin has fueled an epidemic of addiction – the deadliest in U.S. history. Now science is revealing how addiction affects the brain, and top experts are gathering evidence about how we should address our drug problem, from embracing evidence-based treatments to rethinking public policies. Find out what resources we have here in our community to help those who are struggling. Addiction experts will be onsite to address your questions. I will be there as a support system for anyone from our church who would like to go. In fact, we should all go. Contact me if you would like. Judy (843-8340)

The Evangelism Committee, Donna Possehn, & Jennifer MacDonald invite anyone interested in helping with the **Community Table 2019** to please sign up by the "Welcome Desk" or call either Donna (690-1647) or Jennifer (690-8944).

You may be asking, "How do I know if I have the skills to help with Community Table?" Read the following items and put a check by all the things you can do!

\*Smile            \*Make friendly conversation            \*Have a listening ear            \*Serve food  
\*Serve drinks            \*Wash dishes            \*Clean tables & floors            \*Set tables & wrap silverware

If you checked off even one of these items, you have what it takes to be a Community Table volunteer! You can sign up to help, when it is convenient for you. **Our church's next turn is Tuesday, April 30, 2019 @ Community Church.**

1:00-2:00 pm (table setup)      4:30-6:00 pm (serve food)
